2001 HSC Specimen Paper

Music 1
2001 Higher School Certificate Specimen Examination Paper

Music 1

Introduction
This booklet contains the specimen examination paper for the 2001 Higher School Certificate examination in Music 1. A mapping grid is also included, showing how each question in the examination relates to the syllabus outcomes and content, and to the performance bands.

The specimen paper shows the format of the New HSC examination. It has been printed on A4 paper and side-stapled to make it convenient for use in schools. Actual examination papers will be produced as A4 booklets. All New HSC papers will be printed on white paper.

The 2001 HSC specimen papers have been produced in accordance with the Board’s Principles for Setting HSC Examinations in a Standards-Referenced Framework, published in Board Bulletin Volume 8 Number 9 (Nov/Dec 99). Questions are closely related to the outcomes of the course, and the paper as a whole is structured to allow for appropriate differentiation of student performance at all levels on the performance scale.

The papers have been designed so that students have a clear understanding of what they are required to do in each question and in working through the paper. Instructions have been standardised, and the demands of the questions have been made explicit. Key words in questions, such as ‘discuss’, ‘analyse’, and ‘explain’, have been used consistently in accordance with the glossary published in the Board’s Assessment Support Document.

This specimen paper is an example of the type of examination that could be prepared within the examination specifications in the Music 1 syllabus. Examinations will be based on the syllabus, and will test a representative sample of syllabus outcomes. Therefore, the range and balance of outcomes tested in HSC examinations in 2001 and subsequent years may differ from those addressed in the specimen paper.

The mapping grid is an important feature of the development of the examination. It aids in ensuring that the examination as a whole samples a range of content and outcomes, and allows all students the opportunity to demonstrate their level of achievement. Where courses have components in the examination other than written papers, the grid indicates the wider range of outcomes that are assessed by including these other components.

There are a number of points to note in considering the Music 1 specimen paper:

- The examination specifications have been amended to stipulate that there will be four questions in the Aural Skills paper. This will ensure that papers have a similar structure from year to year. However, the number of question parts may change, and there may not necessarily be four different musical extracts in each examination.
- All questions and question parts are out of whole marks. The marks for each question and/or part-question are shown on the examination paper in order to provide guidance to candidates on the extent of response required.
A CD containing the musical extracts for this specimen examination paper was issued to schools with the Music 1 *Examination, Assessment and Reporting Supplement* (EARS) in July 1999.
Music 1
HSC Specimen Examination Mapping Grid

For each item in the examination, the grid shows the marks allocated, the syllabus content and syllabus outcomes it relates to, and the bands on the performance scale it is targeting. The range of bands shown indicates the performance candidates may be able to demonstrate in their responses. That is, if an item is shown as targeting Bands 3 – 5, it indicates that candidates who demonstrate performance equivalent to the Band 3 descriptions should be able to score some marks on the item, while those who perform at Band 5 or above could reasonably be expected to gain high marks. In the case of one-mark items, candidates who demonstrate performance at or above the bands shown generally could be expected to answer the item correctly.

The following marking guidelines have been developed for selected questions from the 2001 HSC Specimen Examination in Music 1 – Aural Skills. These guidelines indicate the approach that would be taken to marking questions.

For each question, the following are typically included:
1. The syllabus outcomes that are targeted by the question.
2. The assessment rubric from the specimen paper, where there is one, listing the set of general criteria that are used to assess responses.
3. The marking guidelines, which show the criteria to be applied to responses along with the marks to be awarded in line with the quality of the responses. For extended-response questions, performance is described at a number of levels of performance, each covering a range of marks.
4. A sample answer or some points that answers might include. Sample answers indicate the scope and depth of treatment expected, and are not intended to be prescriptive. Similarly, the points that could be included in answers are not intended to be an exhaustive list, but rather an indication of the considerations that students could include in their responses.

Marking guidelines will generally require some refinement at the Marking Centre to take account of unanticipated responses that students present. For essay-type questions, the standard described at each mark range will be made clear during pilot-marking by the selection of sample scripts.

In a standards-referenced framework, examination questions are closely linked to syllabus content and outcomes. Expectations of the question are to be clear in the wording of the question. Marking guidelines will be developed at the same time as the examination questions, by examination committees. The development of marking guidelines will be guided by the Board’s Principles for Developing Marking Guidelines Examinations in a Standards-Referenced Framework, published in Board Bulletin Volume 9 Number 3 (May 2000).

Question 4 (8 marks)

An excerpt (1 minute 28 seconds) from Brrrlaak by Zap Mama will be played SIX times for you to answer Question 4.

Describe the use of *structure* in this excerpt. You should support your answer by referring to the relationship of other musical concepts to the structure of this excerpt.

- The focus of the marking should be on the candidates’ ability to make valid musical observations. Poor language usage should not necessarily preclude candidates from achieving marks in the upper range. Candidates’ explanations may be in a variety of formats, e.g. diagrammatic representations.
- The marking descriptors should be applied holistically in judging the mark to be awarded to a candidate’s response and therefore answers in the upper mark range may still include some inaccurate observations.

| **Chorus 1** | ‘Yehoo’ continues without answer – now functions as an answer to ‘Brrrlaak’  
‘Brrrlaak’ – gliss to repeated notes; descends at end first time and ascends second time; lower pitch than ‘yehoo’ – repeated 4 times |
| **Verse 1** | Solo, female, mid-range voice takes verse; narrow pitch range; syncopated; follows more of speech pattern – fragmented; centres around one note; breathy tone; occasionally doubled and/or commented on by another, higher female voice  
Repeated leap of a 4th that starts with sound similar to a ‘click’ (almost like a grace note) in mid range male voice throughout  
Repeated descending two notes in harmony in upper range female voices throughout  
Rising two notes in harmony by female mid-range; enters in second part of verse; half as regular as previous motif; acts as response to previous motif; the odd vocal click |
| **Chorus 2** | ‘Yehoo’ returns – same as first chorus  
‘Brrrlaak’ repeated 4 times as in Chorus 1  
Male voice continues with single, repeated note – drone-like; syncopated  
Three note, syncopated ‘pant’ occurs and towards the end of the Brrrlaak phrase |
| **Verse 2** | Constant, on the off beat, vocal ‘ch’ creates a sound like a cabasa  
Another solo female talks verse; deeper, richer tone colour than previous Verse 1 vocalist; similar melody – differences a result of singer’s interpretation and vocal technique  
Repeated descending two notes in harmony in upper range female voices throughout as in Verse 1  
As with Verse 1, soloist is occasionally doubled/harmonised breathy, females in harmony sing with soloist at times; have melodic interest other than this |

‘Brrrlaak’ repeated 4 times as in first chorus  
Male voice continues with single, repeated note – drone-like; syncopated  
Three note, syncopated ‘pant’ occurs and towards the end of the Brrrlaak phrase  
Another, very short, female part added; regular |
| **Coda** | Full ‘Yehoo’ part returns as in the opening  
Breathy panting regular  
Three note, syncopated ‘pant’ continued from Verse 2  
A female ‘aah’ regular  
Two, longish phrases (relatively) repeated, the beginning punctuated by the male voice on a single, low note  
Tiny female fragment repeated regularly; continued from Verse 2 |
Sample marking guidelines for practical tasks and submitted works in Music 1

The following sample marking guidelines have been developed for the practical and submitted works components of the HSC Examination in Music 1. In conjunction with the previously published sample marking guidelines for selected questions from the 2001 HSC Specimen Examination paper, they indicate the approach that would be taken to marking student responses for the entire examination.

For these component(s) of the examination, the following are included:
1. A description of the task, derived from the syllabus
2. The syllabus outcomes that are assessed by the task
3. The criteria, derived from the outcomes, that are used to assess the task
4. Sample marking guidelines for each component of the task

The marking guidelines describe the full range of performance typically demonstrated by students. Descriptions are given for ranges of marks, representing performances at different levels of achievement. In marking a response, the marker initially assigns it to one of these levels, and the judgement is then refined to decide on the mark to be awarded. Markers use a variety of strategies, including sample responses and videotaped benchmark performances, to assist them in this process.

For the HSC examinations in 2001 and beyond, marking guidelines for all parts of the examination will be developed by the examination committee. The development of marking guidelines will be guided by the Board’s *Principles for Developing Marking Guidelines in a Standards-Referenced Framework*, published in Board Bulletin Volume 9 Number 3 (May 2000).
HSC examination overview
The HSC examination in Music 1 consists of a written paper, worth 30 marks, and practical examinations and/or submitted works worth a total of 70 marks. These components consist of a core performance (10 marks) and three electives (20 marks each) in any combination of composition, musicology and performance.

Task: Performance Core (10 marks)
Perform a piece of music of no more than 5 minutes’ duration that represents a style, period or genre from one of the topics presented in the HSC course.

The piece may be solo or ensemble. In the case of an ensemble item, the part performed by the candidate must be clearly displayed. A performance must be accompanied unless the work was composed to be unaccompanied.

Assessment criteria
Performances will be assessed on their musical effectiveness through:
- Demonstration of technical skills
- Stylistic interpretation of the chosen repertoire
- Sense of musical expression and sensitivity to the chosen repertoire
- Demonstration of solo and/or ensemble techniques

Outcomes assessed: H1, H2, H7

**Composition Elective**

**Task: Composition (20 marks)**
Submit a score and recording of an original composition of no more that 4 minutes’ duration that represents a style, period or genre from one of the topics presented in the HSC course, and should be of a musically substantial nature.

If more than one Composition elective is presented, each composition must represent a different topic, chosen from those studied for the HSC course.

A Composition portfolio is to be developed as a record of the compositional process. This portfolio forms the entire internal assessment for this elective. The portfolio may be requested by the Board of Studies to validate authorship of the composition.

**Assessment criteria**
Compositions will be assessed on how well they demonstrate:
- Stylistic understanding and topic representation
- Understanding of musical concepts and the relationships between them
- Knowledge of score conventions and performance directions

**Outcomes assessed: H2, H3, H5, H7**
