Instructions for answering questions

You can use either a BLUE or BLACK pen, or a pencil.

• **Multiple-choice**

Select the alternative A, B, C or D that best answers the question. Fill in the response circle completely.

Sample 1: 2 + 4 is equal to

(A) 2 (B) 6 (C) 8 (D) 3

A B C D

If you make a mistake, put a cross through the incorrect answer and fill in the new answer.

• **Completing the boxes**

Write your answer from left to right. If you make a mistake, put a line through the incorrect answer and write the correct one above the box.

Sample 2: What is the average height of a flagpole in metres?

5	.	4							
---	---	---	--	--	--	--	--	--	--

 metres

• **Completing the diagram**

Answer the question by completing the diagram reproduced on the Answer Sheet.

Sample 3: Shade in two-thirds of the rectangle.

Do NOT make any marks or write anything below this line on EITHER side of this answer sheet
