

Summary of Engineering Studies HSC examination specifications and assessment requirements from 2010

In December 2008, the Board of Studies approved changes to the examination specifications and assessment requirements for a number of courses. These changes will be implemented for the 2010 HSC cohort. Details of the Board's decisions are available on the Board's website at <http://www.boardofstudies.nsw.edu.au/>

The HSC examination specifications and assessment requirements for Engineering Studies are outlined below.

Outline of HSC examination specifications

A written examination of three hours plus 5 minutes reading time.

Section/Part	Marks
<i>Section I</i> <ul style="list-style-type: none">Objective response questions	10
<i>Section II</i> <ul style="list-style-type: none">Short-answer questions	70
<i>Section III</i> <ul style="list-style-type: none">Short-answer questions based on Engineering and the Engineering Report.	20
	100

Changes from current examination specifications

There are no changes to the examination specifications.

Outline of internal assessment requirements

There will be three to five assessment tasks. There are no changes to the components and weightings.
