Evidence of the following is essential:
- providing support to team members to ensure goals are met
- seeking feedback from clients and/or colleagues and taking appropriate action
- knowledge of appropriate conflict resolution techniques.

Assessment must ensure:
- access to an actual workplace or simulated environment
- access to office equipment and resources
- examples of customer complaints or staff conflict.

A range of assessment methods should be used to assess practical skills and knowledge. The following examples are appropriate for this unit:
- direct questioning combined with review of portfolios of evidence and third party workplace reports of on the job performance by the candidate
- analysis of responses to case studies and scenarios
- demonstration of techniques
- observation of demonstrated techniques in resolving conflict
- observation of presentations
- review of documentation identifying and planning strategies/opportunities for workgroup improvement.

Holistic assessment with other units relevant to the industry sector, workplace and job role is recommended, for example:
- interpersonal communication units
- other industry capability units.
