### Unit descriptor
This unit describes the performance outcomes, skills and knowledge required to prepare and present a variety of sandwiches in a commercial kitchen or catering operation.

Sandwiches may be classical or modern, hot or cold, of varying cultural and ethnic origins and use a variety of fillings and types of bread.

Sandwiches may be pre-prepared or made on demand according to customer requests.

Preparation, presentation and storage potential of sandwiches will depend on bread types and fillings.

No licensing, legislative, regulatory or certification requirements apply to this unit at the time of endorsement.

### Prerequisite units
- This unit must be assessed after the following prerequisite units:
  - SITHCCC001A Organise and prepare food
  - SITXOHS002A Follow workplace hygiene procedures.

### Application of the unit
This unit applies to those working in hospitality and catering enterprises where sandwiches are prepared and served such as restaurants, cafes, cafeterias and other catering operations.

Those undertaking this role usually work under supervision and as part of a team.

### Employability skills
The required outcomes described in this unit of competency contain applicable facets of employability skills. The Employability Skills Summary of the qualification in which this unit of competency is packaged, will assist in identifying employability skill requirements.

### Evidence Guide
The evidence guide provides advice on assessment and must be read in conjunction with the performance criteria, required skills and knowledge, range statement and the Assessment Guidelines for this Training Package.

#### Critical aspects for assessment and evidence required to demonstrate competency in this unit
- **Evidence of the following is essential:**
  - ability to prepare a variety of sandwiches of different types using different breads and ingredients
  - ability to prepare a quantity of sandwiches within industry-realistic timeframes

- **Assessment must ensure:**
  - demonstration of skills within a fully equipped, commercially realistic food preparation area for sandwich production, as defined in Appendix 1 of this Syllabus
  - use of authentic ingredients for sandwiches

#### Context of and specific resources for assessment

#### Methods of assessment
A range of assessment methods should be used to assess practical skills and knowledge. The following examples are appropriate for this unit:
- direct observation of the candidate making sandwiches and preparing filings

#### Assessing employability skills
Employability skills are integral to effective performance in the workplace and are broadly consistent across industry sectors. How these skills are applied varies between occupations and qualifications due to the different work functions and contexts.
**Critical aspects for assessment and evidence required to demonstrate competency in this unit cont/d**

- ability to present sandwiches attractively
- hygienic food-handling practices
- safe work practices, particularly in relation to cutting and slicing.

**Context of and specific resources for assessment cont/d**

- industry-realistic ratios of staff to customers.

**Methods of assessment cont/d**

- sampling of sandwiches prepared by the candidate
- written or oral questions to test knowledge of appropriate food combinations for sandwiches and hygienic food-handling requirements
- review of portfolios of evidence and third-party workplace reports of on-the-job performance by the candidate.

**Assessing employability skills cont/d**

Employability skills embedded in this unit should be assessed holistically with other relevant units that make up the skill set or qualification and in the context of the job role.
