Notes

1. Students need to be familiar with the whole text.
2. While the prescribed issues are mandatory, the dash points are not. They are suggestions only and are included to give a sense of the scope of the prescribed issues.
3. Study of texts prescribed for any Higher School Certificate course may not begin before the completion of the Preliminary course. This exclusion applies to study in the Preliminary Modern Greek Continuers course and to Preliminary courses in other subjects. It also applies to the study of a prescribed text in another medium, such as the film of a novel. ‘Study’ of texts does not apply to attending performances of plays prescribed as HSC texts or to taking part in production of them during the Preliminary course.
4. Where a transcript is identified, the Board cannot guarantee that it is a complete and accurate transcription of the film dialogue. Where an extract is included in the external examination, the transcription will be taken directly from the film.
5. The Board of Studies website (www.boardofstudies.nsw.edu.au) contains the most up-to-date reference for prescribed texts.
