Q(a)

2012 HSC - Aboriginal Studies

Band 1/2

Sample 2 Question 15

The employment status of Aboriginal people today are higher then before due to more oppurtunities for work, Aboriginal Employment Strategy for example helps them get jobs and also it takes on apprenticeships so if you're not familiar to the job you can learn it.

At today's day and age there is more Aboriginal people opening up and managing their own business. Also employing Aboriginal men and women.

But there are also a lot of labouring work such as cotton chipping and ~~other~~ ~~other~~ other hard work due to no or poor education as a kid and has no other knowledge to know any other work in the workforce.
