2012 HSC - Aboriginal Studies

Sample 1 Question 18

Part C-Global Perspective and comparative study

Question 18 Health + Education

Indigenous health within the community of Tweed Heards Australia 18 has a very like low death rate of Indigenous people the Minyunabal committy has it place Aboriginal age care facility over on york youkenburra Island which is called the karawan age care facility its put in place so that Aboriginal people who cannot look after themselfs have the comfat being around other Indigenous Australians with whom they trust.

Education also in the tweed is great Tweed river and Kingscliff high School both have high attendence rates:

Health overseas such as the community of waiko in New Zealand ansisimproving with the help from programs such as Energize which helps people recorgises
