

7 What do Sources D, E and other sources reveal about social class in Pompeii and Herculaneum? 7

Sources D and E show that the social class in Pompeii and Herculaneum were mixed there were 'high' class and also 'low' class citizens. Source D reveals a servant who is recognised for actions she did in the past and now she is a hero for those actions. In Source E it shows that even the 'low' class citizens can have their freedom.
