

Start here.

Hello everyone. I'm so happy to be a member of community. Today I'm gonna talk about the living and working in the Community.

Living are very important for everyone in our Community. you have to know how to live in any community. Living ~~is~~ ~~mean~~ in the Community it mean you have to make friends to learn how to live.

Working in the Community is the part of Community. Everyone ~~is~~ needs to work, they need a job to live.

But how to successful living and working in the Community is a hard question. That's a skill ~~everyone~~ everyone need to learn. you have to know what you are doing. know what was that for.

That's the roles for living and working in ~~the every~~ any Community.
