

Section II (continued)

Question 19 (4 marks)

- (a) Outline TWO reasons why a business should follow sustainable work practices. 2

* Reputation - community or society impacts business
 sustainable work practices as views a good / bad image.
 * cost - due to breaches of legislation, companies
 may be fined or penalised costing business lots.

- (b) How can technology be used to contribute to sustainable work practices? 2

Technology may include teleconferencing and not
 physically travelling as it doesn't use burning of fuel and
 of materials (environmentally friendly). Having power saving
 mode on computers to reduce electricity use. Turn off lights
 when not needed.
