

Question 4 (continued)

4. 给明明回复电子邮件。答案字数大约用 160 个英文字。

10

Write an email replying to Mingming. Write approximately 160 words in ENGLISH.

Hello Mingming,  
Thank you ~~my~~ for your email, and indeed, the blog is quite reflective of the values and traditions the new generation of Chinese hold.  
It seems firstly that they are quite intrigued in different other cultures, the difference in "eating, sleeping, day dreaming ..." as opposed to their home traditions. This most likely stems from their one-child policy effect, the internet allowing them to be more exposed to new, refreshed qualities that they cannot find in their physical community.  
They ~~are~~ are also <sup>easy to be</sup> ~~very~~ influenced by social factors; the "Lasa fairytale" being a very huge impact on the blogger, ~~a~~ sacrificing her "computer for birthday" instead for a trip to Lasa, in hopes to similarly volunteer and also end up in a love story. This probably comes from the fact that Chinese teenagers ~~are~~ place a much important emphasis on relationship development; possibly another important effect from ~~the~~ China's one-child policy. What do you think?

Regards,
