Band 1/2

Sample 2 Question 22

(a) client centred care is where all attention of the nursing assistant is paid to the client. client centred care ensures the wellbeing of all clients.

confidentiality is where the privacy of all clients is kept private. It is kept private by all workers. It is a legal issue. If a worker was to not keep all information private ~~it would be a legal issue~~ they could possibly loose their jobs.

duty of care is a term that refers to the care that the nursing assistants must provide to residents. The term describes what does and doesn't need to be done by nursing assistants.

(b)

By providing client centred care, confidentiality and duty of care it will help to provide care to residents in an aged care environment.

~~By providing client centred care, confidentiality and duty of care it will help to provide care to residents in an aged care environment.~~

client centred care applies to the care of a resident in an aged care environment by ensuring that all needs for clients are met by ~~carers~~ carers.

Confidentiality applies to the care of a resident in an aged care environment by providing all aspects of their dignity and private information are kept secret by carers.

Duty of care applies to the care of a resident in an aged care environment by ensuring that all needs ~~by carers~~ for residents are met by carers.
