

PRODUCTION

Distinguishing features of a Band 4/5 Project

- A high degree of difficulty was displayed in the constitution of the project.
- High order skills were involved with the project's production (dovetails, laminating, curved work, high standard of finish).
- Project functioned well demonstrating a high degree of success with construction techniques attempted, eg drawers/doors worked correctly.
- Above average problem-solving skills demonstrated.
- Project was well managed and supported by the Design, Management and Communication (DMC).
- Final project bears a strong relationship to the Statement of Intent.
