In your answer, consider the perspectives provided by the TWO sources and the reliability of each one.

Source E is an extract from a letter so it is only telling part of the whole letter. It tells of both Lloyd George and Wilson's attitude towards the Treaty of Versailles. It was written at the Paris Peace Conference, 11 June 1919.

Source F is an extract from a book 'The Truth About the Peace Treaties' from Lloyd George who was part of the Treaty of Versailles. It gives great detail and opinion.
