<tr>
<td><strong>Description:</strong> This unit involves students exploring important features of Aboriginal cultures and the ways that Aboriginal people contribute to Australian society. Students develop appropriate ways to interact with members of the Aboriginal community and explore the importance of land to Aboriginal people. <em>Learning activities address selected ‘learn about’ and ‘learn to’ statements within the Life Skills content of the syllabus and may be prioritised and selected to suit the needs of students. The unit provides a range of ways in which students may engage in learning activities and students should participate at a level appropriate to their abilities and interests.</em></td>
