Exclusions	Construction Curriculum Framework Resources and Infrastructure (locally designed school/private provider or TAFE NSW delivered VET course)
-------------------	---

For TAFE NSW delivery only:

TAFE course name	Civil Construction – Certificate II	TAFE course number	19854
-------------------------	-------------------------------------	---------------------------	-------

HSC unit credit and course requirements

HSC unit credit for VET courses can be accredited to the Preliminary and/or HSC pattern of study.

Civil Construction (300 indicative hours)

- accredited for a total of 5 units at the Preliminary and/or HSC level
- attempt RIIOHS201A and elective units of competency to a minimum of 280 HSC indicative hours.

For a course to count towards the HSC program of study students must satisfy the course completion criteria as required by the Board of Studies. Refer to Section 8.4 of the *Assessment, Certification and Examination (ACE) Manual*.

The pattern of study entered (for example 2 units x 2 years) should reflect the delivery of the course over successive years. Students will be credentialled for the HSC unit credit entered each calendar year provided they have satisfactorily completed the course requirements for that calendar year as determined by the school/RTO.

Access including access by students in Years 9 and 10 (Stage 5)

This course is available to students undertaking a school-based traineeship.

In certain circumstances students in Years 9 and 10 (Stage 5) may access this Stage 6 VET course. Further information is available on the Board of Studies website at www.boardofstudies.nsw.edu.au/voc_ed/stage-5.html

Course content
