Implementation/planning comments: Commencement of Hospitality with a food and beverage focus and additional commercial cookery skills set to make up 240-hour course. Offer expression of interest to Yr 9 Food Technology class and some targeted students. Select students through interview/counselling process. Explore delivery options depending on numbers: – viable stand alone Year 10 class, look at	Implementation/planning comments: Majority of students to continue in course, some students may elect to drop Hospitality and pick up another Preliminary course. If standalone class will need to look at options for new Year 11 students to pick up the course. If combined delivery in Year 10 will need to ensure the line on the Year 11/12 timetable is aligned.	Implementation/planning comments: Students interested in gaining additional Certificate II qualification in Kitchen Operations offered specialisation course. Need to confirm teacher accreditation to deliver holistic unit or look at outsourcing delivery to TAFE or other RTO.	Implementation/planning comments:
