Trial Online Computing Skills Test

Thank you for nominating students from your school to participate in the trial Computing Skills Test, which this year is being offered in online form only.

So far this year, over 53,000 students have been enrolled in the online test, and your school is one of over 500 other schools that have entered students to participate in the test.

Schools participating in the online trial computing skills test this year, were requested to nominate a contact person and provide a contact email address for this person. Your name has been provided as the school’s contact person.

The purpose of this email is to advise you that from Term 3, your school will receive information about the online test via your email address.

To ensure that you receive these emails, we are undertaking a check of the email address supplied for the contact person. **Would the contact officers please respond by simply replying to this email.** This advice is for the information of Principals only, no action is required by Principals.

If you wish to update your email address or change the contact details, please click on the following link for *Schools Online* <insert link for updating email address on Nominate Students for the Online Test Panel>

If there are any amendments to the student enrolment records for the test please make the adjustments before 1 July 2005.

Should you have any questions regarding the 2005 Online Trial Computing Skills test please contact

| Student entries for trial CST | Student Enrolments and Credentialing | 9367 8130 9367 8275 9367 8271 | records@boardofstudies.nsw.edu.au |
