2012 HSC - Aboriginal Studies
Band 1/2
Sample 2 Question 20(a)

Question 20. a).

The Importance of the Country to the Aboriginal people today is huge it is and always will be there stamping Ground. The animals that guide through the country are both past & present of the Elders and there spirits. Also its were they eat there food Resources its how they survived and always know how to do so. Using the ocker & water to use for there Corobories to tell Storys to there Ancestors and children for those to pass it on and always will be remembered The Sky also where there spirits are watching over there families to make sure there safe.
