2012 HSC - Aboriginal Studies

Band 2/3

Sample 1 Question 13(a)

Some Strategies used to Improve Indigenous Communities through Alternative Entry's for university as we had a disadvantage of going to School back in the day when the British people had set up the schools leaving the Aboriginal Population of children to go to a different school with 'All Black people' or don't go to School at all, or just work for the rest of their lives only earning rations.

Maori Community had their own School due to the fact that they had signed a Treaty with the British and were recognised as the owners of 'their' land.
