Band 2/3
Sample 1 Question 19(b)

Question 19

(b)

When reseaching anything to do with ~~aborino~~ Indigenous culture you must respect the Indigenous elders and ask their premission to reseacher their culture. It is important to do this to show respect to the elders and their culture.

When reseaching you must respect what the Indigenous person is telling you about their knowledge.

like any research you must thank / say who you gathered the information from and show your respect.

By respecting the Indigenous culture and land the student is covering himself from upsetting the indigenous elders.
