~~Within the criminal justice system there is a major over representation of Aboriginal people due to numerous factors~~

2012 HSC - Aboriginal Studies
Band 3/4
Sample 1 Question 16(a)

(a) In Australia within the criminal justice system Aboriginal people are over-represented this is due to many numerous factors. These factors include ~~miscommunication~~ ~~the~~ lack of communication ~~an~~ English mental illnesses caused by external substances or Otitis Media. Due to the effects Otitis Media can have on a ~~the~~ persons ear if left untreated the bones in the persons ear can decompose and leave them with serious hearing and mental impairments this can be linked to the over-representation of Aboriginal people in the criminal justice system as more than half of Aboriginal people in prison suffer from Otitis Media.

Aboriginal people also

miss interpret the actions ^{orders} they
have been given by authorities
due to the language and culture
barrier as well as Otitis
Media.
