

Answer the questions in the spaces provided. These spaces provide guidance for the expected length of response.

Question 16 (9 marks)

- (a) Why is clear and concise communication important when working on a construction site? 1

to let the workers understand what is happening with the job and less confusion

- (b) Identify ONE form of written communication and explain its use when working on a construction site. 3

Signs on the boundary showing that only authorised people are allowed in the site. PPE equipment worn at all times. Also a MSDS with the faulty tools and equipment showing that they have been eliminated.

Question 16 continues on page 10

Question 16 (continued)

- (c) Explain, using examples, how workers on-site may communicate effectively with each other.

5

Using hand signals like a wave to say I need to talk, then meet up with him and discuss the situation.

Another one is walk up to them and talk insted of yelling out to them. this meaning that you can understand the situation and know what is going on.
