Attempt Questions 1–6

Answer the questions in the spaces provided. These spaces provide guidance for the expected length of response.

Your answers will be assessed on how well you:

- demonstrate understanding of the relationship between language, text, audience and purpose

The Listening Task

You are about to hear an extract from an ABC radio interview. In the extract, we hear Adam Spencer interview Chris Hadfield, an astronaut and author, about his experiences in space.

Before you hear the recording, you will have two minutes to read the questions printed in this paper.

As you are listening to the recording, follow the questions. You may write notes if you wish in the Candidate's Notes spaces provided on pages 2–4. Anything you write in the Candidate's Notes spaces will NOT be marked.

You will hear the recording, then the questions will be read aloud. You will hear the recording a SECOND time, and then you will be given time to write the answers.

You now have two minutes to read the questions.
