Australian Visions influence perceptions of Australia. In my response, Australian visions include friendship, happiness and  
\* In D drama "The shoe-Horn Sonata" two women show us what is the Australian  
+ Visions.

The "The Shoe-Horn Sonata" 's writer John Misto write two nurse, ~~in a terrible~~ in World War II. Some Japanese soldier catch them and punish them. Bride and Sheila was the best friend. Bride ~~am~~ and Sheila show us what is Australian vision - friendship when Bride get sick. When Sheila know Bride will die she sold ~~her~~ herself body to Japanese Soldier to get something to Bride to keep her life. That case to show us friendship.

In this place Bride and Sheila won't be unhappy, they make themselves stranger and happy.
