Purpose: Discuss the Living and Working in the Community elective and its role in the student success.

Interviewer: Good morning, it's a pleasure to sit here to discuss the living and working in the community elective and its role in your success.

Interviewee: Thanks, it's my pleasure too. Well, okay let us discuss why I'm successful in the 2020 and involved community number.

Interviewer: Why can you be successful in 2020?

Interviewee: Well, I must do a lot of hard work in this year, and recognized by myself at the true way. To develop myself at my freetime. read lots of book, lots of newspaper. at the same time I spent all hour or more than an hour to community with the people who need our help and help them to solve their problems what they need. from their problems I can learn many things. I haven't touch in the booklet or the newspaper or the websites. This is encourage me to move on, to spend more time in the community between the living and the working.

Interviewer: How long have you keep your action?

Interviewee: Hum... Normally 1 year already, not much longer.

Interviewer: Okay, so you will know what your time do what?

Interviewee: Of course, I need to spend my time average that can let me close to the successful. In a day, I will spent $\frac{1}{2}$ in the living and another $\frac{1}{2}$ in the working.

Interviewer: Wow, that sounds great!

Interviewee: Thanks you.

Interviewer: What do you do in your living and working.

Interviewee: I usually read the books, magazines, do some active outdoor sports and listening to the music. When I working I will work very hard. is very different between the living and working.

Interviewer: Thanks you for you Interview.

Interviewee: You're welcome.
