

"The mystery bottle out at sea."

There where ~~there~~ this ~~set~~ couple out enjoying the day on the boat Holly and Ben they had both decided that they would enjoy the day at sea and just swim around Ben had found a spot and Holly threw the anchor down. they

They both started to get dress to be able to go swimming and looking at all the different ~~fishes~~ fishs but little did holly know Ben throw a glass bottle over with rope around it. they had been swimming for hours and was starting to get hungry so as they started to swim back to the boat Holly had found the glass bottle ~~she~~ and showed Ben, he said lets get on the boat set up lunch and we will see what it is.

They had got back onto the boat got lunch all ready and they had open up the bottle and she started reading the ~~the~~ letter it was a romance poem. ~~###~~ At the end it said turn around and you will find anothe note. She had got the -8- other note and

opened it as it said Molly will you marry me she turned and look at Ben with happiness and said thought you ~~wet~~ would never ask. She wouldn't put the ring on till they were on there way home as she didn't want to lose it.

So from that day on they both would never forget ~~the~~ one of the ~~the~~ best days of there life and she couldn't stop looking at her beautiful ring.
