

Start here.

There was a family who lived in a town where they were well respected. ~~one day~~ The boys loved football, football was their life. The name of the 2 brothers were ~~Tom~~ Tom and Daniel.

One day, at a party, Tom's brother Daniel found out that his girlfriend hooked up with his best friend. Daniel gets angry and throws a fist at his best friend. As the fight stops Daniel is very pissed and drunk. He gets in his car and drives off with his best friend and 2 other boys.

Daniel is very drunk and he wasn't suppose to drive when your drunk, as he was driving he hit a tree, Daniel survived and so did his best friend, but the 2 guys at the back had died. Daniel's best friend has ~~severe~~ ~~several~~ several injuries.

That night changed everything the family lost all the respect that the town had for them.

The family had no choice but to move into their grandmothers house, who lived in a different town.

Tom loved his brother Daniel and he still sees his brother as a brother not as a killer. And both of the brothers loved football so much that they had to ~~leave~~ leave their friends, and school and the past and start a new life in their new hometown.
