Instructions

- Write your Centre Number and Student Number at the top of this page.
- In the boxes provided write the name and date of this examination, and the number(s) of the question(s) attempted in this booklet.
- If you have not attempted the question, you must still hand in the Writing Booklet, with the words 'NOT ATTEMPTED' written clearly on the front cover.
- Write using black or blue pen. (Black pen is recommended.)
- You may ask for an extra Writing Booklet if you need more space.
- **You may NOT take any Writing Booklets, used or unused, from the examination room.**

Start here.

A) The possible causes are that the trees can make lots of ~~fruit~~^{fruit} and if the fruit companies want to use it for future use, they would have to make sure the ~~fruit~~^{fruit} is always ~~kept~~ kept in a cool place, and that its ~~be~~ kept fresh all the time otherwise it will rot and be no good to eat.

B) The ~~labelling~~ labelling for the fruit is really important so the company can see how ~~many~~ many fruits are going to the shops, and to see how much money they are making from those fruits. Its all so important that the fruit is labelled because the customers who buy the fruit know what kind of fruit it is, when it expires and to see what brand and company its made from.

C) ^{1.} They should keep ~~the~~ planting trees to make more fruits like apples etc, so people can eat healthy foods for a snack if there hungry.

2. The companies will still be able to make fruits cause the fruits that are selling in the shops are being eaten by customers and the companies will be still in ~~business~~ business cause of the money there making so they can supply shops with more fruits when they finish growing.
