I received your email the other day! Thank you for linking me to such an interesting blog post! I've finished reading it and I have no doubt it will assist us with our homework. It is definitely ~~very~~ a very useful ~~of~~ resource that gives us insight into the ~~the~~ unique characteristics of the young people in contemporary Chinese society today.

It almost makes me want to go to 'Lasa' for a holiday after reading about the amazing beauty of the land which the author likened to an almost cartoon, dream-like quality. ~~That~~ The blog really exemplifies the often dreamy romanticised thoughts of Chinese youth, who yearn for adventure, new experiences in ~~the~~ foreign environments, ~~and~~ ~~rather~~ meeting different people, and perhaps even forming relationships and finding love! The blog post uses a very effective anecdote of a German student who visited 'Lasa' and met a man from Belarus who fell in love with her and decided to stay with her for the rest of their lives. It's a true love story! And ~~that~~ the end of the post just shows that young people are ~~willing~~ to want a sense of adventure, and are willing to spend ^{End of Question 4} a bit of money, ~~many~~ perhaps from their parents as a birthday gift to fulfil their dreams!

See you soon Mingming -
