<b>Subject:</b>	<p><i>I had a meeting with the owner of 'grocery marketer' and he has stated that he has 50 shops in Korea and 20 shops in Australia. He had decided to start a new <sup>program</sup> <del>thoughts</del> starting from 1<sup>st</sup> of January 2013 by having a technology communication. This is going to be like this: for all the workers, he will be giving out smart phones and for those who are displaying, they will need to take photos of the products and send it to the shop in Korea. The convenient thing is that every time we have our conference meeting, it will be filmed and be sent. Also, sales were reported through faxes, but now, they will be reported through email as for our convenience and for the technology communication skills. So please make sure with this notice and feel the convenience of technology communication.</i></p>
