

**Question 20** (7 marks)

- (a) What does the term *cultural diversity* mean? 2

Cultural diversity is the study of cultures and their different ways and how it all interacts together as one. Cultural diversity talks about all different cultures that we may come post within the workforce.

- (b) How can aged care, health care facilities and/or allied health services cater for various cultures? 5

All aged care, health care and allied health services all have different ways to cater for various cultures whether it be for food, religious beliefs and others. All facilities have signs of different languages and some of the staff can also help out when needed to if they can get through to the patient. There are also translators that can speak to the patient and some make visits to
