

Question 1 (10 marks)

- (a) Berilah alasan-alasan mengapa Ibu Aminah berpikir bahwa pesta perkawinan masa lalu lebih baik.

Give the reasons why Mrs Aminah thinks that the wedding celebrations in the past were superior.

Ibu Aminah thinks that the old version of wedding ceremony is better than now because at this time everything about the wedding itself is set by the wedding planner (EO), not like before. She stated, "... tali persaudaraan dikorbankan". That line shows Ibu Aminah's feeling that today's wedding ceremony has forgot about relationships between each other. There are no more togetherness within.

Question 1 (continued)

(b) Bagaimana bahasa yang digunakan oleh kedua pembicara merefleksikan kesenjangan generasi?

How does the language used by both speakers reflect the generation gap?

The man speaker often used slang such as "cool down", "enjoy", "social network". It shows that he's more modern and up to date. The woman speaker ~~often used~~ ^{diction used by the} such as "elok", "rewang", "keguyuban" shows that she came from different (old) generation because she used many words that rarely can be found nowadays.

(c) Bagaimana selama wawancara nada Ibu Aminah berubah-ubah? Dukonglah jawaban Anda dengan contoh-contoh.

How does Mrs Aminah's tone change throughout the interview? Support your answer with examples.

At first, Ibu Aminah shows a glad attitude towards the interview by using a cheerful tone when she recalled back to the ~~time~~ ^{Past}. It can be seen through this sentence, "merupakan suatu keguyuban yang indah". It gives the audience a clear understanding that Ibu Aminah was glad to flashback to the past, to the time she adores. But when another speaker talked about how wedding ceremony used wedding planner service, Ibu Aminah suddenly shows a ~~good~~ ^{negative} attitude by using tone that express her dissatisfaction. For example, "praktis, mudah, tidak mau repot. Itulah yang saya rasa ~~ini~~ menjadi nahkoda kapal kehidupan sekarang". That line simply tells us how Ibu Aminah think about modern wedding ceremony. But when the man speaker told Ibu Aminah to back to her past memories, she started to talk smoothly with calm tone again.
