Question 1 (continued)

- (b) Bagaimana bahasa yang digunakan oleh kedua pembicara merefleksikan kesenjangan generasi?

2

How does the language used by both speakers reflect the generation gap?

The language used by both speakers reflect the generation gap. The narrator calls Mrs. Aminah

with Ibu which is used to address someone that is usually older. Another language used to reflect the generation gap

is how Mrs. Aminah speaks in an informal language. For example: "apa tuh namanya?" the word "tuh" indicates the informality contained in the language used by Mrs. Aminah

about the wedding celebration in the past, because

he says "oh enak juga ya!" which suggests that hearing about the wedding in the past seems new to him.

Therefore the way he responds also indicates the generation gap between them.

- c). Mrs. Aminah's tone change throughout the interview.

When she is describing about the wedding nowadays,

~~her tone~~ her tone ~~is~~ is upsetting and ~~she~~ she disagrees with it. "Praktis dan tidak repot, itu tuh yang menjadi..." While she is saying this, she seems

to be angry and upset, which then prompts the narrator to say "Calm down." which indicates that she is upset and it can be heard through the tone in her voice when

she is describing about the wedding nowadays, whereas there is a contrast to the above tone when she is telling the story about the wedding in the past. Her tone is
