

HSC 2002 – Industrial Technology

Development of Ideas

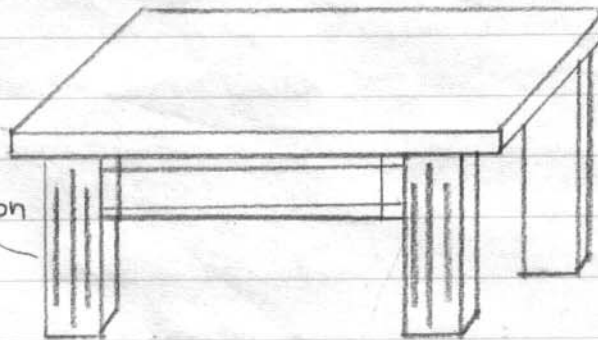

Band 1/2

Limited development of ideas
for the major project.

Possible design solutions:

1.

Designs on
legs.

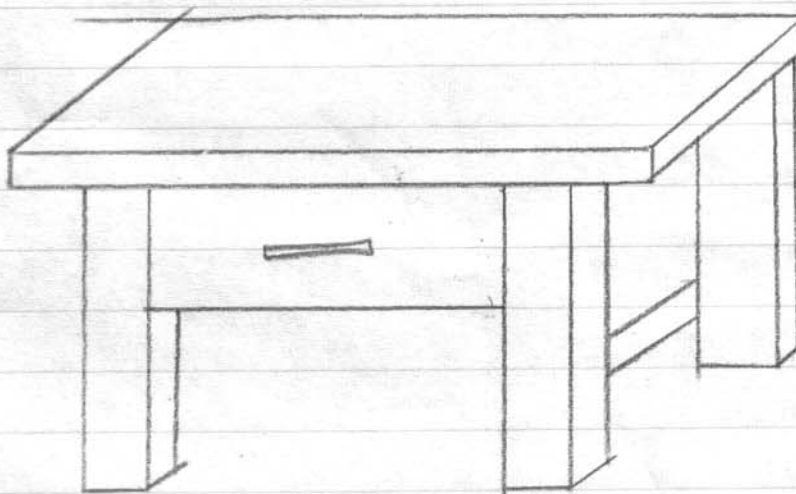

Adv:

- Easy to build.
- Relatively cheap.

Disadv:

- Designs may be difficult.

2.

Advantages:

- Drawer for storage.
- Looks good.
- Easy and cheap to build

Disadvantages:

- May cost more because of drawer.
- More timber needed.
