

# PRODUCTION

## Distinguishing features of a Band 2/3 Project

- The Project is generally completed.
- A low degree of difficulty is displayed (eg joint construction is simplistic), usually accompanied by a similar level of workmanship.
- Statement of intent is just satisfied.
- Generally displays a poor level of finish or a poor choice of finish.
- The range of industrial processes exhibited in the project is limited as is the range of skills.
- The design elements are very basic.
