

Question 14 (continued)

- (a) How do you get to Asahi Youth Hostel? 2

To get to Asahi Youth Hostel,
you catch a ferri, and then it's a
20 minute walk

- (b) What are the special attractions of Asahi Youth Hostel? 3

At Asahi YH, you are able to
see the famous boat museum,
eat fresh, delicious fish cooking and
though you cannot get to Coral Reef
Island by car, you can ride a bike.

- (c) What do Hiro's and Yumi's travel reviews reveal about their personalities?
Justify your response. 5

Though Hiro and Yumi are
both pleased with the hostel,
Hiro seems like he was there
for relaxation, which shows he was
a very stressful person. The sounds
of people talking were too noisy
for him, and they served the fish & hot tea,
and the boat museum was boring
for him, though he did enjoy the onsen (or
hot spring).
Yumi is more outgoing as she
mingled with many others at the
hostel, had everyone talked in the hot spring
and that the bike riding was way better
than driving in her opinion.
