Justify your response.

5

Hiro thinks that having a hot spring is good.
However the water was too hot and he did not
like it. This shows contradictory as hot springs ~~are~~ water
are meant to be hot. Also he dislikes foreign people
as he found the people next to his room was noisy.
He has no interest in boat museums as he found it
boring going to the museum. And he hates fish.

Yumi enjoys the view of the ocean seen from the
window of her narrow room. It shows her liking towards
the meals as she finds the fish she tried unforgettable
and delicious. Even though she is quite embarrassed
entering the bath with other people, she enjoys
talking to the foreign people and she thought it was
fun. This shows Yumi's liking towards communication.
