

**Question 23** (5 marks)

Outline how ONE human right has been legally recognised.

5

Human rights have been legally recognised by the media and through the use of the internet. Some cases include the documentary Hotel Rwanda which was a genocide. The 9/11 bombing and also the recent London riots. Through these devastating events human rights have been appealed and the right to a safe home and environment has been legally recognised as well as the right to an education.
